Melody: Jackson

Thomas Jackson  
(1715-1781)

1. Christ is the heav'n-ly food that gives to ev-'ry fam-ished soul  
2. We all are made for God a-lone, with-out him we are dead;  
3. Christ is the u-ni-ty that binds in one the near and far;  
4. On earth and in the realms be-yond one fel-low-ship are we;

new life and strength, new joy and hope, and faith to make them whole.  
no food suf-fi-ces for the soul, but Christ, the liv-ing bread.  
for we who share his life di-vine his liv-ing bo-dy are.  
and at his al-tar we are knit in mys-tic u-ni-ty.
