*Canon 4-in-1*

ROGIER PATHIE

This canon appears in a collection of broadsheets now held at the Bayerische Staatsbibliothek in Munich under the shelfmark 2 Mus.pr. 156 (see page 3). The page, printed by Salmingier probably in the late 1540s, bears a dedication to the dowager queen Mary of Hungary and Bohemia, governor of the Netherlands, whom Pathie served as organist. It contains 3 canons; however, owing to part of the page having been torn off, only this one is fully legible. The music for one voice is printed, with indications of the points and pitches of the other entries.
