their de - light, but that thou fear'st lest I should

yield them their de - light, but that thou fear'st lest I should

them their de - light, but that thou fear'st lest I should

yield them their de - light but that thou fear'st lest

85

but that thou fear'st lest I should steal a sight, lest I should steal a sight, steal a sight, but that thou fear'st lest I should steal a sight.

should steal a sight, lest I should steal a sight, steal a sight, but that thou fear'st lest I should steal a sight.

steal a sight, but that thou fear'st lest I should steal a sight.

I should steal a sight, lest I should steal a sight.
