Original order of staves is Counter - Tenor - Treble - Bass: the counter part is notated in the source in the treble clef, an octave above sounding pitch. The vocal bass part is figured in the original: this figuring has been omitted from the present edition to facilitate the underlaying of the text. The first verse only of the text is given in the original: subsequent verses have been added editorially, on the basis of the title 'Psalm 103d. Verses 1/2 3/4 8 & last' in the original. The following notes are printed in the source as small grace notes, and have been editorially written out in full: bar 5, beat 2, tenor F; bar 14, beat 3, treble F and G and counter C.
