1. Hear, O Jesu, Israel's Shepherd, hear us,  
Thou that leadest Joseph like a sheep;  
On the hilltop bleak be ever near us  
In the darksome valley while we sleep.

2. Thy sweet voice amidst the storm to cheer us,  
Thy blest footmarks for the narrow way;  
Thy dear hand to hold up and to steer us,  
For Thy help and guidance, Lord, we pray.

3. Thy dear voice, O Shepherd, true and tender,  
All its wondrous tones Thy sheep would know;  
To Thy call their prompt obedience render,  
Follow Thee wherever Thou would go.
