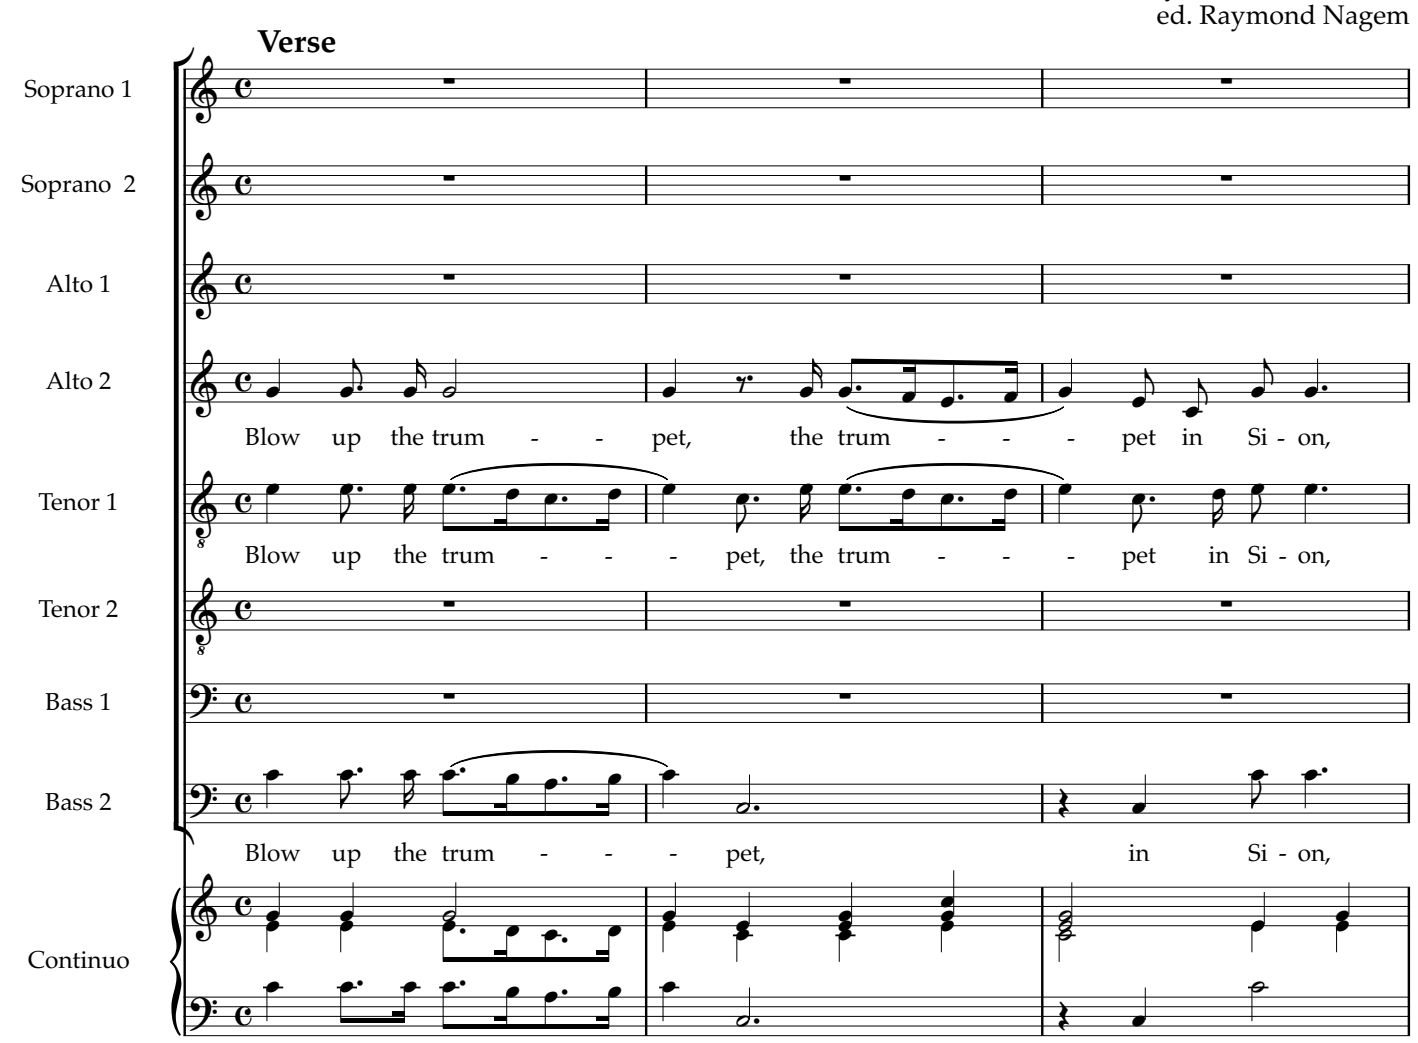
# Blow up the trumpet

Joel 2:15-17

Henry Purcell (1659-1695)
ed. Raymond Nagem



Although the sources for this anthem are written in 10 parts, with intricate alternations and doublings between Decani and Cantoris, there are never more than 8 real parts sounding at any given time. This edition distributes the parts over 8 staves to fit the layout and range of a modern SSAATTBB choir.

Organ part editorial. Editorial and cautionary accidentals in small type. Differences from the Purcell Society octavo, edited by Anthony Lewis and Nigel Fortune:
