Musical score for organum, voice, and basso continuo. The score consists of three staves. The top staff is for the organum, starting with a B-flat. The middle staff is for the voice, starting with a C. The bottom staff is for the basso continuo, starting with a C. The vocal line includes the lyrics: "Et mi - se - ri-cor-di-a e-ius a pro-ge-ni-ae in pro-ge-ni-es ti-men-ti-bus e-ium." Measure numbers 62 and 63 are indicated above the staves.

Musical score for 'Feicit' by M. and A. The score consists of two staves: M (top) and A (bottom). The key signature is common time (C), and the tempo is 63 BPM. The vocal line for 'M' starts with a half note rest, followed by quarter notes, eighth notes, and sixteenth-note patterns. The vocal line for 'A' starts with a half note, followed by eighth notes, sixteenth-note patterns, and a dotted half note. The lyrics 'Fe - cit' are repeated twice, followed by 'po - ten - ti - am,' and then 'po -' and a final dash. The vocal parts are separated by a vertical bar line.

Some notes on this edition:

The partbooks can be found at

Text underlay roughly follows the source; apparently it was left to the singers how precisely to distribute the syllables over the notes, so in this case I made those choices. Text in parenthesis means there was no text below the notes, text in italics means my underlay differs from the source.

There aren't many ligatures in the source; almost all of them were 'obeyed', so no change of syllable within a ligature. Only once I thought the ligature got in the way, so at "in principio" in bar 184 in the alto I ignored it.

The source uses the spelling "michi magna", which most likely was pronounced with a 'k' for the ch, so I kept this spelling.

In bar 126 the voice-leading is a bit rough, which makes me wonder if it was really intended: the g-f-d progression in the alto coincides with e-d in the bass, causing at first a spicy dissonant f-e, followed by a hidden parallel octave. The f in the alto could easily have been replaced by a downward c, solving the problem, but making it less spicy as well. I'm not sure what I prefer.

A musical score for four voices (M, A, T, B) in G major. The vocal parts are arranged as follows: M (Mezzo-Soprano) in soprano clef, A (Alto) in soprano clef, T (Tenor) in soprano clef, and B (Bass) in bass clef. The lyrics are underlined with dashes to indicate where they should be distributed over the notes. In the first measure, the lyrics are "in - a - nes.". In the second measure, the lyrics are "nes.". The third measure shows a vertical dotted line, indicating a continuation of the music.
